1ST NATIONAL LEGAL FEST

MARCH 17 – 19, 2017

CLIENT COUNSELLING

Mr. Sreedhar lives with his family consisting of his wife, 2 daughters and a minor son in Harineel Nagar, Ooty, TamilNadu. He is a science professor and also rents his home for paying guest accommodation facilities at times on personal basis for tourists and researchers who come to Ooty. There is a small river at Harineel Nagar. Mr.Sreedhar is very much engrossed into the environmental implications for the Shopping Mall constructions near the River. He had opposed the same saying that it might have huge environmental implications to the river as well as the whole residential area. He does some basic research and comes to finds that the same would have very irreversible repercussions upon the environment and the river and in long term would cause serious health hazard. He discusses the same with his other residents. All of them decide to approach the court and seek justice. In pursuance of the same, they approach you to give them basic remedies available for the same.
